NVOCC Pain Points

This initiative aims to address the pain points of NVOCC.

PRINCIPALS

Better Freight

Efficient Turnaround

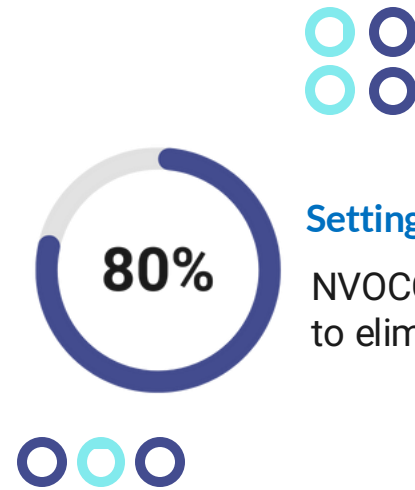

Preferred PODs

AGENTS

Matching Rates 

Customer Retention 

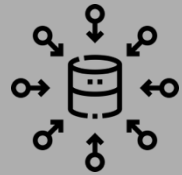

Sector Choices 

Setting Goals

NVOCC needs bold initiatives to eliminate pain points

What is AllLines?

Aggregator
Platform

Verified Members

Exclusive for NVOCC

Industry First

AllLines

is an aggregator platform that **connects verified NVOCC Principals and Agents** — both come in with a nominal subscription fee.

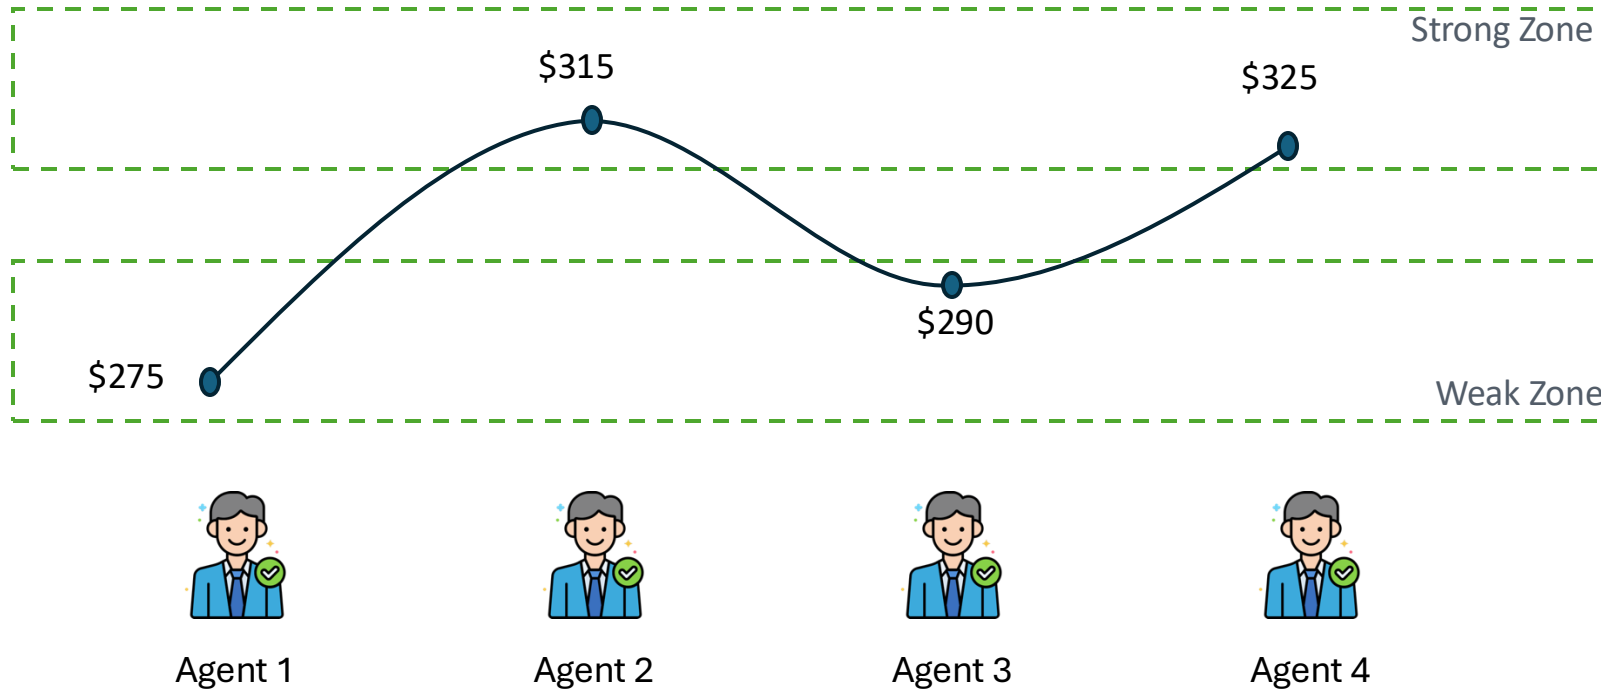

Core Features?

- **Market Watch, Trade Hub, and Business Network** solutions help with wider choices of Principals and Agents for every enquiry and movement
- The Marketplace **connects Principals and Agents** worldwide, ensuring strong network

Trade Hub - Principal's Benefit

Port Pairs : Jebel Ali to Port Klang

Connecting with More Agents

Make Trade with more Agent options.

Evaluating Choices

Better Freight, Inventory Choices and Preferred POD

Securing Commitment

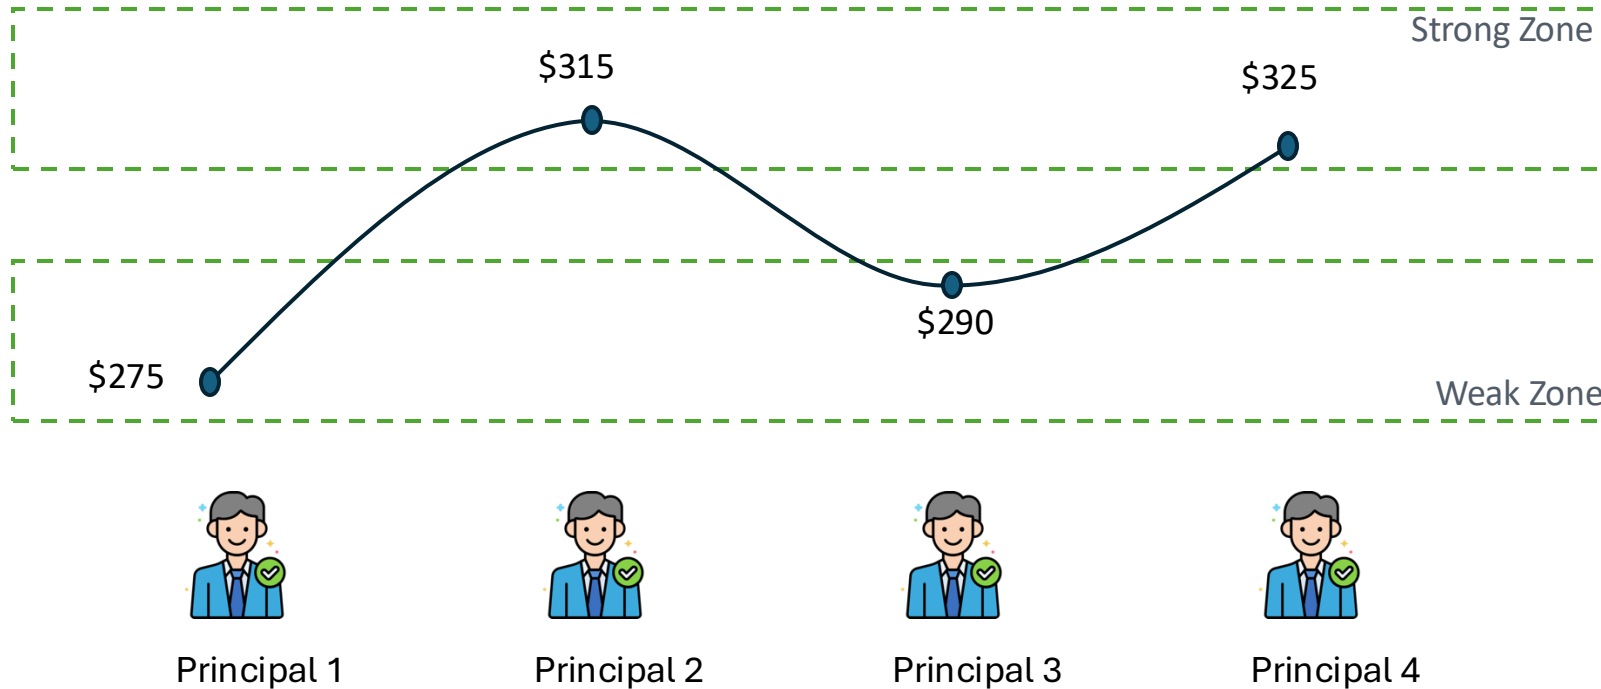

Pick the right Agents

Finalizing the Opportunity

Convert one or more Agents to begin Trade

Trade Hub - Agent's Benefit

Port Pairs : Jebel Ali to Port Klang

Connecting with More Principals

Make Trade with more Agent options.

Evaluating Choices

Matching Rates, Customer

Retention and Wide sector choices

Securing Commitment

Pick the right Principals

Finalizing the Opportunity

Convert one or more Principals to

begin Trade

For Principals

What is Trade Hub?

For Agents

A thick, hand-drawn style orange line that underlines the text "For Agents". It starts under the 'F' and extends past the 's', with a slightly wavy, irregular edge.
